During the public health emergency caused by the COVID-19 pandemic, we will implement this Contingency Learning Plan for your Student. Once school resumes, this plan will expire and the current programs and services outlined in the Individualized Education Plan will continue.

- The staff will implement your Student's IEP or Section 504 Plan through the use of the schools Continuity of Learning Plan with distance or online learning and technology, in good faith, and to the extent that it is safe, practicable and within applicable state and federal guidance and restrictions.

- Your Student will receive accommodations or supports, such as those identified below to provide access to the Continuity of Learning Plan.
 - Use of video and/or audio recordings or other digital formats for learning activities, instruction or therapies;
 - Use of handwritten worksheets, work packets and projects;
 - Web-based curriculum and learning activities;
 - Curriculum based resources;
 - Modified or alternative curriculum
 - Other:

CASELOAD TEACHER OR RESPONSIBLE PROVIDER ASSURANCE

- Before completing this Contingency Learning Plan, I reviewed the Student's IEP, consulted with parents, and one or more of the Student's providers.
- A copy of this Contingency Learning Plan was provided to the Parent(s), Guardian(s) or eligible Student by:
