Reconfirm how instruction (Return to Learn Plan) is going to be delivered during the 20/21 school year:

(Recommendation: Explain in narrative form any modifications to the original Extended Learning Plan)

Elementary Level (K-5th grade)

- Students will still have the option to attend face to face or virtual (Oilers Online). If your child is a current OO student, we do need you to complete a new enrollment form for 2nd trimester.
- As much as possible, teachers will no longer have blended rosters. This means some students will have to change teachers in order to shift class rosters.
- COVID protocols remain in place, including required masks, regular deep cleaning and disinfecting, whenever possible desks will be spaced 6 feet apart, social distancing, families will screen students for any health concerns before the leave for school.

Middle School (6th – 8th Grade)

- Mt Pleasant Middle School will maintain the cohort model through the 2nd trimester. Students also have the option of choosing the Oilers Online (virtual) program.
- For our face to face students, the school day ends at approximately 11:57. Students are sent home with a lunch that is free for all students.
- Every Wednesday during the 2nd trimester (beginning the week of November 16th) will be a day of virtual learning for all MPMS students.
- COVID protocols remain in place, including required masks, regular deep cleaning and disinfecting, whenever possible desks will be spaced 6 feet apart, social distancing, families will screen students for any health concerns before the leave for school.

High School & GI-TEC (9th – 12th Grade)

- Mt Pleasant High School will maintain the hybrid model through the 2nd trimester. Students also have the option of choosing the Oilers Online (virtual) program.
