ARTICLE 7: CONTRACT NON-RENEWAL AND DISCHARGE

SECTION A

All administrators shall be employed by individual contracts, the terms of which shall be subject to and consistent with the terms of this Agreement. Failure of an individual administrator to execute an individual contract of employment shall relieve the Board and District of all obligations of employment to said administrator.

SECTION B

An administrator's individual contract of employment will normally be issued for a two (2) year duration. However, during each of the first two years of employment as a new administrator in this district, or during each of the first two years when assigned to a different administrative position than that previously held; or whenever an administrator's evaluation reflects a need for improvement in performance and the Board determines that only a one- (1) year contract is merited, then the administrator's individual contract of employment shall be for a duration of only one (1) year.

SECTION C

An administrator's individual contract of employment shall be automatically renewed for an additional one- (1) year period unless he is provided notification of non-renewal of contract in writing at least sixty (60) days before its expiration date or the expiration date of any extension of his contract. SECTION D

An administrator shall be subject to discharge at any time during the term of his/her individual contract of employment for acts of moral turpitude, misconduct, insubordination, and/or violation of the terms of this Agreement. In the event of discharge during the term of an administrator's individual contract of employment (as opposed to non-renewal), the administrator will be provided with a written statement of reasons discharge is being recommended and be offered an opportunity for a hearing

before the Board, either public or private at the administrator's request. A written decision will be issued by the Board specifying reasons for its determination. The Board may discharge for good cause.

SECTION E

Each administrator must possess valid certification and other qualifications required by law for continued employment. If all other factors are equal, the administrator with the greatest length of service as an administrator shall be recalled first. An administrator's eligibility for recall shall terminate if he resigns, fails to accept recall to a position for which he is certified within ten (10) calendar days of notice, or a period of time equal to his length of service in the bargaining unit, but not to exceed three (3) years from the effective date of layoff, has lapsed.
